

MEP CSEE BUCHAREST COMMITTEE ISSUES

COMMITTEE ON CULTURE AND EDUCATION

With tensions between various religious groups, and current events highlighting violence and discrimination against certain religions, how can the EU foster the integration of religious groups in a diverse European society and promote interfaith dialogue?

COMMITTEE ON WOMEN'S RIGHTS AND GENDER EQUALITY

With slow progress in achieving gender parity across Europe in both political positions and the private sector, what is the role of women in perpetuating inequality in the workplace? To what extent should the EU and Member States take more radical action in order to unlock the full potential of Europe's female labour force?

COMMITTEE ON ENERGY, INDUSTRY AND RESEARCH

Improving the hardware and software towards a single European energy market? Which further steps should the EU take to ensure all Member States have access to energy that is affordable, competitively priced, secure and environmentally sustainable?

COMMITTEE ON CIVIL LIBERTIES, JUSTICE AND HOME AFFAIRS

The fear of rising 'benefit tourism' seems to be a result of unequal access to social benefits within the Union. How should basic EU liberties be safeguarded whilst considering the socio-economic pressures placed upon the welfare systems of Member States?

COMMITTEE ON EMPLOYMENT AND SOCIAL AFFAIRS

The question of growing unemployment among young people in the European Union: Increasingly unemployment, especially amongst the younger generation, is becoming a serious problem within the European Union. Which measures can the EU take to stimulate the participation of young people in the labour market – or should fighting unemployment be considered a national responsibility?

COMMITTEE ON ENVIRONMENT, PUBLIC HEALTH AND FOOD SAFETY

The question of juvenile health:

Should the EU play a role in protecting juveniles from alcohol and drug abuse, smoking and unhealthy eating habits? If so, how should EU regulation relate to national regulation in this field? How can the member states of the EU cooperate to safeguard the health of young people against mental stress, alcohol abuse, smoking and poor levels of nutrients? What role can schools and educational programmes play?
